We have a commitment to local.

We are proud to fill our gift bags/baskets/boxes with Canadian-made products, including a variety of products from artisan producers in Alberta.

We can pack your gifts with as many goodies as your budget allows.  
For gift budgets that exceed the options presented, we will curate additional items to customize your gift.

## WINE / SPIRITS

We're pleased to help you include the perfect bottle in your gift!  
Allow us to source from the fantastic shelves of our neighbour, Metrovino, or drop off your own bottles and we will incorporate them into your gift.

## DELIVERY / SHIPPING

We can arrange courier delivery within the Calgary area, or ship via Canada Post to elsewhere in Canada.

The rates are as follows:

Handling (packaging and transport to post office) – \$10/gift

Courier Inner City – \$20/gift

Courier Outside of Core / Out of Calgary – at cost

Shipping via Canada Post – at cost

It is up to the client to provide accurate delivery addresses.  
Gifts returned undeliverable due to address error on the client's part are subject to a \$20/gift surcharge, plus the cost of redelivery.

Gifts that contain perishable items must be shipped express, and cannot be shipped to a PO box.

We are happy to organize non-perishable options if desired.

We look forward to working with you!
